City Planner

I envision an Oakland where people can safely take their children to school, enjoy some time at Lake Merritt, or walk downtown at night. An Oakland where small businesses can open and feel supported by our city. An Oakland where we can all afford to live, grow, and thrive.

As a city planner and public policy expert, with more than a decade of experience living and working in Oakland, I have dedicated myself to improving the quality of life for our community.

I'm endorsed by legendary organizer Elaine Brown, housing advocate and mom Misty Cross, Former Councilmember Loren Taylor, and countless community members who agree that Oakland needs leaders who understand policy, respond transparently, and take collaborative action for our neighborhoods.

I believe in a future for Oakland that is clean, safe, and vibrant.

I'd be honored to have your vote. Learn more on my website at WarrenForOakland.com.
